Note to newcomers: If you would like to be on our Latin Mass community email list to receive notices about upcoming events, please send an email message to notification@saskatoonlatinmass.com under the subject heading "Subscribe".

Financial goal: For over 25 years, the Sacred Heart of Jesus Latin Mass community has had the goals of bringing the Priestly Fraternity of St. Peter to Saskatoon to provide us with a full parish life according to the extraordinary form of the Latin rite, and to have our own church. Bishop Hagemoen and Fr. Geoffrey Young are helping us to attain these goals, and we are very grateful for their support. We hope to buy land and to begin building a church as soon as possible. More information will be provided as plans unfold.

Face masks: In keeping with the province's revised Covid-19 restrictions, face masks are now required in places of worship. Masks are available in the vestibule, but you are asked to bring your own if possible.

Bill C-268: Conservative MP Kelly Block recently introduced Bill C-268 to the House of Commons. This bill aims to protect conscience rights for medical professionals by preventing them from being coerced or intimidated to participate in acts which they may find morally objectionable, especially euthanasia and assisted suicide. Please show your support for this bill by signing the petition to the House of Commons on the table in the vestibule.

Mother's Day Witness for Life: The Mother's Day Witness for Life will take place along College Drive on Sunday, May 9th from 2:00 to 3:00 P. M. Due to Covid-19 restrictions, we will not be walking along College Drive. Please pick up a sign and then stand in a particular place (similar to what we do at the October Life Chain) along College Drive between Wiggins Avenue and the R. U. H. turnoff.
