Financial goal: For over 25 years, the Sacred Heart of Jesus Latin Mass community has had the goals of bringing the Priestly Fraternity of St. Peter to Saskatoon to provide us with a full parish life according to the extraordinary form of the Latin rite, and to have our own church. Bishop Hagemoen and Fr. Darryl Millette are helping us to attain these goals, and we are very grateful for their support. We hope to buy land and to begin building a church as soon as possible. More information will be provided as plans unfold.

Spiritual bouquet: Our spiritual bouquet for Fr. Geoffrey Young resulted in 10 Masses, 120+ Rosaries, 1 Novena, 33 Our Fathers and 33 Hail Marys. Many thanks to all who took part.
