**Note to newcomers:** If you would like to be on our Latin Mass community email list to receive notices about upcoming events, please send an email message to [notification@saskatoonlatinmass.com](mailto:notification@saskatoonlatinmass.com) under the subject heading "Subscribe".

**Financial goal:** For over 25 years, the Sacred Heart of Jesus Latin Mass community has had the goals of bringing the Priestly Fraternity of St. Peter to Saskatoon to provide us with a full parish life according to the extraordinary form of the Latin rite, and to have our own church. Bishop Hagemoen and Fr. Geoffrey Young are helping us to attain these goals, and we are very grateful for their support. We hope to buy land and to begin building a church as soon as possible.

**National March for Life:** The 24<sup>th</sup> annual National March for Life will take place in Ottawa from May 9<sup>th</sup> to 14<sup>th</sup>. You can be there symbolically by pledging candles to be placed at the Human Rights Monument at the Candlelight Vigil on Wednesday, May 12<sup>th</sup>. For more information, pick up a pledge form on the table in the vestibule.
